

Eastern Region Authorized Club Voter Form

When voting on all Eastern Regional issues each club gets a single vote. Only a club in good standing (clubs that paid their Eastern Region dues) may have a vote. The club must also currently be registered with USA Roller Sports. The only person eligible to make a club vote is the official Club President. The Club President may delegate other club members who may vote on issues in the president's absence. This form can be used to permanently delegate the club members who may vote for the club in the president's absence.

Please list the alternate voters in the order that they may represent the clubs vote.
