

Tri-State Figure Contest at:
February 21, 2016

Dear Skaters, Coaches, Parents and Friends:

The Fantasy Skating Center, Fantasy Skating Club and the Tri-State League would like to thank you for participating in this year's event. With your support, the Tri-State Figure Contest at the Fantasy Skating Center has enabled figure skaters in our area have a special event to display their figure skating skills.

We have a unique test registration this year. There are registrations for 42 tests to be taken. Because of such a large number of test registrations it has been decided to start the morning with the tests distributed across all three figure panels. Skaters taking tests must be ready to skate at their assigned times. We will not have time to wait for skaters who are not ready. The figures in each test will be skated similarly to the skating of figures in competition, where each skater in the group will skate their first figure. After all skaters are done with the first test figure, the group will start over with the next test figure. This order will continue for all the figures in the test.

Enclosed is the final schedule for the meet. If the test center ends early we will start the practice earlier. We however will not start the first event before the scheduled 8:30 AM. That means if the tests ends early the practice session will be longer.
